PROJECT OVERVIEW

A Project Overview Is A Detailed Description Of A Project's Goals And Objectives, The Steps To Achieve These Goals, And The Expected Outcomes.

PROJECT OVERVIEW

A Popular Doc Booking App That Offers Online Video Consultation, Booking Doctor's Appointments After Choosing The Specialist

IDEA

Due To Covid 19 Pandemic, Booking An Online Consultation Has Become A More Essential Necessity. Online Consultations Help Save Your Time And Help People Feel More Comfortable.

PROJECT GOALS

A Project Timeline Is An Overview Of A Project's Deliverables Laid Out In Chronological Order. It Maps Out What Needs To Be Completed Before A New Task Can Commence And Keeps Everything Ticking Along Nicely.

Save Time

Meeting the doctor can be consuming, we tried to build a digital solution to reduce this.

Organize

We structure the whole strategy by creating innovation solution that make the practical process simple.

Online support

People can select the correct type of specialist doctor and book an appointment online right immediately.

FINDING PROBLEMS

Problem Finding Means Problem Discovery. It Is Part Of The Larger Problem Process That Includes Problem Shaping And Problem Solving. Problem Finding Requires Intellectual Vision And Insight Into What Is Missing. Problem Finding Plays A Major Role In Application Of Creativity.

PROBLEMS

Find Best Doctor.
How To Save Money For Our Health.

User Flow

User Flow Is The Path Taken By A Prototypical User On A Website Or App To Complete A Task. The User Flow Takes Them From Their Entry Point Through A Set Of Steps Towards A Successful Outcome And Final Action, Such As Purchasing A Product.

Style Guide

A style guide is a document that details a company's set of standards for writing, editing, formatting, and designing documents.

Aa

The Style Guide Was chosen to keep the look and feel of the app organizes.

The main focus is to make the app accesible, so the design is very minimalistic.
